

G576U

UPRIGHT CYCLE

SportsArt ECO-POWER™ line is the embodiment of design, technology, sustainability, and cardiovascular excellence. The sleek angles and premium features combine with state of the art energy generating technology to produce the most engaging workout users can feel good about. The G576U Upright Cycle features a low-profile shroud design for ease-of-access, vertically and horizontally adjustable seat, and multiple resistance adjustment points with both fingertip and toggle controls.

KEY FEATURES

- Integrated ECO-POWER™ technology converts human power into usable electricity
- Horizontal and vertical seat adjustment
- Fingertip controls for easy resistance adjustment
